## CYCLING ROUTES IN THE LATGALE REGION

**CYCLING ROUTE "EUROVELO 11"**  
Linear route. Road surface – mostly asphalted roads. A scenic route, which has been prolonged all through the Latgale region. Labeled by some bicycle tourists as the "Beast of the East", this lengthy route with stretches from the northeast tip of Norway all the way down to sunny Greece. In the Latgale region "EuroVelo 11" route allows cyclists to enjoy beautiful, somewhat wild, and explorative nature views, lots of lakes and rivers, hilllocks, meadows, and amazing views.  
More information: [info@latgale.travel](mailto:info@latgale.travel)

**CYCLING ROUTE NR. 791 "VIDUSSĒLIJAS MAZĀIS LOKS"**  
Circular route. Road surface – ~18 km asphalted roads, the rest are gravel roads. Explore the River Dviete floodplains, where wild cattle, horses, and hundreds of various bird species live. In the route, you can explore ancient manors, private collections, museums, and the small town of Ilūkste. More information: [turisms@augsgdaugavasnovads.lv](mailto:turisms@augsgdaugavasnovads.lv), +371 65476748

**REGIONAL CYCLING ROUTE NO. 35 IN THE NATURE PARK "DAUGAVAS LOKI" ("BENDS OF DAUGAVA RIVER")**  
Circular route. Road surface: rural, forest, gravel roads, and asphalt. The route includes both architectural gems with church sites, and fortresses in two cities, as well as natural landscapes in one of the most beautiful stretches of the Daugava River upstream.  
More information: [turisms@augsgdaugavasnovads.lv](mailto:turisms@augsgdaugavasnovads.lv), +371 65476748, +371 65622201

**REGIONAL NEAR BORDER CYCLING ROUTE NO. 36**  
Circular route. Road surface: rural, forest, gravel roads, and asphalt. The route winds through several municipalities, starting and ending in Ludza municipality, and passing through the territory of Kraslava municipality along the way.  
More information: [tic@ludzasnovads.lv](mailto:tic@ludzasnovads.lv), +371 65707203

**AROUND LAKE LUBĀNS No. 33**  
Circular route. Road surface: mostly rural and gravel roads. The route leads through a flat relief, including an artificial embankment along the shore of the largest lake in Latvia Lubāns. The route is easy, difficulties may be caused by strong winds and wet roads in rainy weather. Attention! In some parts of the road, grows hogweed, which are dangerous to touch.  
More information: [tic@rezeknesnovads.lv](mailto:tic@rezeknesnovads.lv), +371 63161616

**AROUND LAKE RĀZNA No. 783**  
Circular route. Road surface: mostly rural and gravel roads. The route goes around Lake Rāzna, including its interesting sights, and allows you to observe the hilly landscapes characteristic of the Latgale Highlands.  
More information: [tic@rezeknesnovads.lv](mailto:tic@rezeknesnovads.lv), +371 63161616

**CYCLING ROUTE NO. 34 "RĀPOJĀ VASALĀ!"**  
Circular route. Road surface: mostly asphalt and gravel roads. The cycling route takes you through the Northern Latgale region, surprising travellers with its hospitality, warmth, and endlessly beautiful nature!  
More information: [tic@ludzasnovads.lv](mailto:tic@ludzasnovads.lv), [turisms@balvi.lv](mailto:turisms@balvi.lv), +371 65707203, +371 29272948

**CYCLING ROUTE No. 15 "GREENWAY GULBENE-BALVI-VILAKA"**  
Linear route. Road surface: mostly rural and gravel roads. The route follows the former railway line Gulbene–Pītalova, starting from Gulbene through Līzene to Kubulī in Balvi municipality, where the railway station "Balvi" was located. Then it continues through Viksna to Kuprava and Zīguri to the former Mežvidi primary school in Vecumi parish. Finally, it passes through Borisova to Vilaka via highways.  
More information: [turisms@balvi.lv](mailto:turisms@balvi.lv), +371 65707203, +371 29272948

## LONG DISTANCE HIKING TRAIL "EZERTAKA"

A long-distance hiking trail around the Latgale region, which has a total length of approximately 1107 km. The route is divided into 49 sections, with 13 longer sections that may take several days to complete. It gives a comprehensive hiking experience through Latgale, highlighting its diverse natural landscapes, including numerous lakes and sights. The route map can be seen on the website [latgale.travel](http://latgale.travel), and GPX files are available for download there as well.  
More information: [info@latgale.travel](mailto:info@latgale.travel)

## NATURE

**1 THE NATURE PARK "DAUGAVAS LOKI" (BENDS OF THE DAUGAVA RIVER)**  
The Nature Park is located in the valley of the Daugava River, its aim is to preserve the unique landscape, biological diversity as well as cultural and historical monuments. Visit Adamova Nature Trail, the 13th-century ruins of Dinaburg Castle, Slutiški Old Believers' village, climb the observation towers in Vasargailiški, Ludzakalns, and Priedaine. **Augšdaugava municipality, +371 65471321**

**2 NATURE RESERVE "PILSKALNES SIGULDIŅA"**  
The nature reserve (59.3 hectares) is situated in a magnificent valley formed by the melting waters of glaciers. Within the reserve, there are several marked educational hiking trails. **Pilskalne, Pilskalne parish, Augšdaugava municipality, +371 65462296**

**3 NATURE PARK "DVIETIES PALIENE" (DVIETE RIVER VALLEY)**  
A unique nesting place for birds. Here in the wilderness live wild horses and cattle. The floodplains overflow in spring, which locals refer to as the fifth season and it is possible to boat through the meadows. **Bebrene parish, Augšdaugava municipality, +371 26109353, manabebrene.lv**

**4 UNIQUE ISLAND IN THE CIRIŠS LAKE "UPURSALA"**  
"Upursala" is the largest of the islands on Lake Cirišs, accessible only by watercraft. It also features a hillfort, a nearby 2 km long walking trail, and a nice harbour for a picnic. **Aglona, Aglona parish, Preiļi municipality, +371 28080530**

**5 "VELNEZERS" ("DEVILS LAKE")**  
Along the lake, a 53-hectare nature reserve has been established. Its greatest value lies in the unique, mystical lake, reaching a depth of 17 meters. Lake shores are covered with dry coniferous forests, which is a protected forest habitat in Europe. **Šķeltova parish, Krāslava municipality**

**6**

## MUSEUMS AND PRIVATE COLLECTIONS
